

## **Dennis Michael Davidson**

Captain Dennis M. Davidson, class of 1960, expired suddenly on 12/17/2014 in Palm Desert, California. His wife, Dawn, his mother Amy Davidson, his sister Judith Karwoski, and brother Scott Davidson survive him. Captain Davidson was the "ultimate" scholar, having obtained (after graduation from the academy) a doctor of medicine specializing in cardiology, a doctor of philosophy, and becoming an ordained minister of religion. He taught in four of the California universities. He was very adamant about World Peace and was involved in many activities towards that goal. No services are planned at this time.
