

DONALD ALLAN MOLLICONE

We were saddened by the unhappy news of the death of Don, who was killed in an aircraft accident in South Viet Nam on 20 December 1963. He is survived by his widow, Rosemarie, who resides at 39 Primrose Lane, Closter, NH. Although the details are not available, it is certain he died in the line of duty. Henceforth, the mere mention of the Americans who have been struck down in far off South Viet Nam will be more meaningful, for we will sadly remember one of our men who was among them. To his family we offer our condolences-to his memory our humble praise.
